# AIDEEN

Ah, the Great British summer. Cream teas, bumblebees, willow on leather. Naked girl streaking through field, pursued by randy Escort photographer. Just another day in the English countryside, for us anyhow. "When the sun comes out I just get so hot and horny!" says Aideen. "It must be seeing all those half-clothed honeys in the High St!"

## Party popper

**R**ecently I attended a very naughty party with my girlfriend Dawn.

After a few drinks for Dutch courage, we arrived at the venue. That day we'd bought the obligatory leather and PVC and we were fully decked out in it.

Once inside the dimly lit disco our apprehension quickly vanished when we saw that everyone was similarly dressed and ultra friendly.

We got talking straight away to an attractive couple at the bar and the drinks began to flow. After a while the man said to his girlfriend, "Don't be shy - get your tits out!"

His blonde and busty girl-

friend was nervous at first, but did as instructed. She was about 33 years old and had a most impressive chest.

I asked if I could fondle her breasts and was met with no resistance, so I did. After a few more drinks her

Suddenly, four or five men surrounded Dawn and went to work on her pussy while she was being kissed and fondled by the girl. They took it in turns to lick and finger her.

The sight of my girlfriend lying there being snogged by a girl and fingered by a queue

partner persuaded Dawn to release her own ample bosom.

The party was getting into full swing and the girls were dancing on the dance floor with their tits out. After a couple of hours we noticed things getting decidedly steamy.

There was this gorgeous blonde in a red catsuit being very naughty with a young lady on a table. I grabbed Dawn and took her to a quiet corner, proceeding to undress her.

I had her tits out and her pussy was exposed, when over walked the couple from the bar. The girl started kissing Dawn and playing with her tits while I licked her pussy.

of men was unbelievable.

I continued to lick the mystery blonde and watch the amazing goings-on as Dawn enjoyed a most pleasurable experience.

## Alley twat

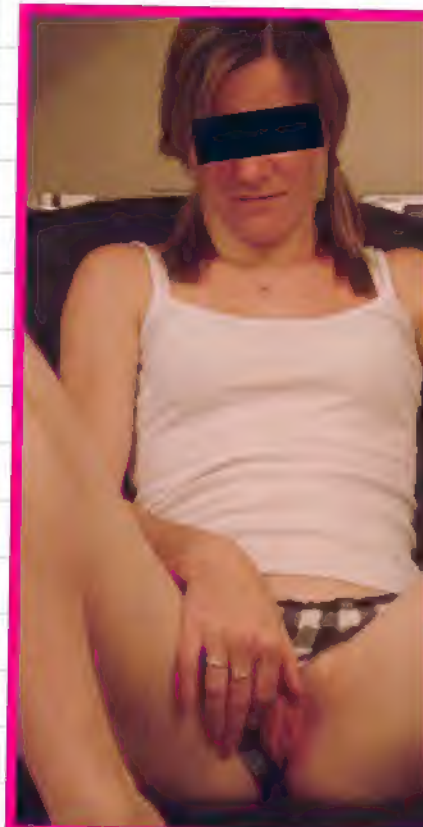

**M**y husband has always wanted a threesome. He loves to watch a dirty film with two girls sucking on a huge fat cock while we fuck.

I finally agreed to his dream so we thought we would hit the town and see who was about. I dressed up like the slut he loves. Very short denim skirt with black stockings and no knickers so if I sat down everything was on show.

We thought we would start off in a few town pubs to get the drink flowing and make it a bit easier to chat the girls up. Only it didn't happen like that.

We were only in our second pub and I was feeling very horny (and on my fifth vodka) when my husband had gone to the loo.

So there I was on my own with my pussy poking out

husband rogered my mouth. Then from nowhere my husband blew his load all over my face and in my mouth.

There was that much I was choking on his cum!

Then Mark pulled out of me, came round to my face and shoved his monster deep into my throat.

He didn't last much longer

and shot an even bigger load of his cream on my face. I really couldn't see I had two huge loads of cum all over me and all those two could do was chuckle.

I had to take my stockings off and clean my face up before we said our goodbyes and went home. But what a night that was!

from under my skirt when this gorgeous bloke approached me and offered to buy me a drink.

I said that my husband was in the loo but jokingly said yes to the drink as I was quite tipsy by now.

At that point my husband came back and sat opposite me. I said to him that I think I could have pulled while he was gone but it was with the wrong sex.

He asked who with so I pointed to this hot bloke at the bar ordering drinks.

He said with a smile on his face, "Go for it - we could still have a lot of fun."

I just laughed at him thinking he was joking but he wasn't. He said, "Get him to come over and sit him next to me and tell him our plan and give him an eyeful."

At that point this bloke came over, put a drink in front of me and said, "Enjoy." I made sure he could see my glistening tight shaven pussy and told him to join us. My husband told him to feel free.

That was just the invitation he needed. Within seconds he slid his hand up and down my thighs, just brushing past my pussy which was getting damper all the time. We told

him the plan and agreed to head off back to our house which wasn't too far.

We headed off down the street and took a few short cuts through a few alleys and a park.

We were walking in a line with me in the middle and my husband behind. Then

## My tits and pussy were out in the middle of the park

Neither lasted that long but God, didn't Mark make me cum long and hard! It turns me on thinking about it.

So thanks hubby - I had fun. Next time we will find that girl, I promise you!

from nowhere my husband grabbed me and shoved his tongue into my mouth and his hands up my skirt.

Mark, the other bloke, came up behind me and was pulling on my nipples and kissing my neck. Within a few seconds my tits were out, my skirt was off and I was just in my stockings in the middle of a park.

Mark pushed my head forward so my tight arse was pointing out.

He dropped to his knees and slid his wet tongue deep into me, lapping up my juices then fucking my arse with his tongue.

I released a moan of delight and my body shivered to an orgasm.

I made sure my husband got his fair share by taking his cock out of his trousers and sucking on his shaft.

Mark then slid his massive cock into my pussy and fucked me stupid while my

What with the good old British weather, what's the sense in being prepared? Baking sun or torrential rain – either way you're fucked. Which is fine with Barbie, 21 from Northampton. If it's hot she can spread out her rug, peel off her clothes and display her very un-Barbie-like realistic pussy to passing park goers walking their hideous dogs. If it rains, she's always got her umbrella and she's happy to get drenched under that – as long as it's with your cock drops and not the British weather!

# REAL WIFE SEX

Helen, South  
Yorkshire

**A hot date doesn't start auspiciously for Steve but ends up chest fine!**

**H**ow are you at pulling birds? I like to think I'm pretty good, good sense of humour, a certain rakish charm that the ladies seem to like. I'm not a bad looking bloke, and with a fair amount of disposable income to splash out on enjoying myself, I've never had too much of a problem pulling the fairer sex. That is, until recently, when I met a snobby little tart called Helen. She really made me sing for my supper, but it all turned out well in the end!

I'm not used to having to chase a bird and I could have moved on to an easier bit of stuff, but her fresh face, shapely legs and peachy little arse attracted me so much that I became increasingly determined to woo her and do her.

Although she was aloof and unresponsive to flattery at first, I eventually managed to talk her into going out for a drink with me. As we chatted, she let drop that the girls at her office had been teasing her about my reputation and had warned her off me. I pretended to be shocked

and bewildered, protesting that although I might have been out with one or two of them, they had all seemed to like it at the time. I even pretended that they had been the ones to ditch me, and that I had been hurt at the time by their uncaring behaviour.

After that, I kept the conversation strictly to likes and dislikes. She was still

**My cock reflatated  
in her arse**

taking a bit of a while to warm up. I was making most of the running, trying out jokes and stories with increasing desperation. I hate it when a girl makes you work this hard.

Finally my ploy began to bear fruit. Surprisingly, we shared some of the same interests, including a fondness for Thai food. As I was driving I couldn't really drink much so, after just a couple, I

# THE BL WANK

offered to drive her home.

As we drove, I turned on the radio and she sat back and, stretching her long legs out in front of her, appeared to relax in my company. On the way, we passed a Thai restaurant that I knew well. It being a Friday evening, I strongly suspected that they would be fully booked, and a plan occurred to me. I asked if she would like to stop and have some Thai food with me. She agreed. To my relief they were indeed booked up, and, feigning disappointment, I suggested

erotic sights I've seen. She ate in very small mouthfuls, closing her eyes as she swallowed; then, dipping her fingertip into the sauce, she'd lick it, and closing her lips over it, suck what remained of the sauce in a highly suggestive fashion.

I was surprised at this turnaround in her behaviour, but it was a fairly big step in the right direction, so I topped up her glass and sat back to enjoy the show. Aware that she now had my full attention, Helen grew bolder and it began to become apparent to me that this prim young miss

was in reality an artful little tart. Laying her fork aside, she slowly leaned back on the sofa and, pulling her short skirt right up, put both hands between her legs. Then, moving her panty gusset to one side, she actually began to frig herself in front of me!

The portion of Thal I was eating dropped out of my mouth! Pulling her cunt lips apart, Helen looked directly at me and asked softly if I still felt hungry!

Her pussy was swollen and spread open. It was supple, fresh and framed with short, tight, silky blonde curls. I

knelt down and licked and kissed the inside of her smooth thighs, lapping up her love juices as they trickled from her pussy. Then, lapping her warm, moist slit, I pushed back the tiny flesh hood surrounding her clitoris until I found her little pink button. At this, she pressed her cunt hard onto my probing tongue and, grabbing my head between her hands, began to ride my face! After a few seconds of this I adjusted my position and, moving my tongue back up her cunt, I inserted a finger into her well-lubricated slot and

diffidently that we could perhaps grab a take-away and eat it at my flat.

As I warmed the plates and opened a bottle of wine, Helen began to make herself at home, kicking her shoes off and fetching the cutlery. We moved to the living room where, settling herself on the sofa, she began eating. Now normally, watching someone consume noodles isn't the prettiest of spectacles, but Helen had a way of making it one of the most

## Girl's best friends

I love cock and I love it orally, anally or in my soft warm pussy.

When I am away from my hubby and stuck at sea for several months at a time, I always take a selection of a girl's best friends with me.

I have a large selection of dildos and vibrators and I even have a rubber cast of my hubby's lovely cock that I take with me when I go away with the Navy.

Jim is very understanding and knows that I have a very high sex drive which runs out of control after just a couple of days without feeling his cock inside some part of me.

One of the things I miss most about being away is the

fun we have with my toys and Jim's cock at the same time.

I love to start off by gently sucking his cock until I can feel the veins in his throbbing cock as it slides in and out of my mouth.

Once I know he is really hard, I will kneel doggy-fashion on the bed, exposing my arse and cunt from behind, and then I beg for him to lick me hard.

The feeling of his tongue licking from the top of my pussy right the way along, flicking my clitty and then licking around my arse is amazing and I push myself backward to make sure his tongue gets into all the right places.

Once he has tongue fucked me I like him to slide his hard meat deep inside my cunt and then slowly fuck me while he

## I take a rubber cast of my husband's cock away with me

finger-fucks my arse, stretching my ring for the main event to come.

When he has pushed his finger up my arse and stretched my back door he gets the butt plug and rests it against my relaxed arsehole. Then as he pushes his cock into my cunt the movement

slowly pushes the butt plug up my arse and once it has fully stretched my arse, Jim can then give both my holes a good hard fucking at the same time.

I cum many times in this position and the feeling of my arse being completely stretched by the butt plug is

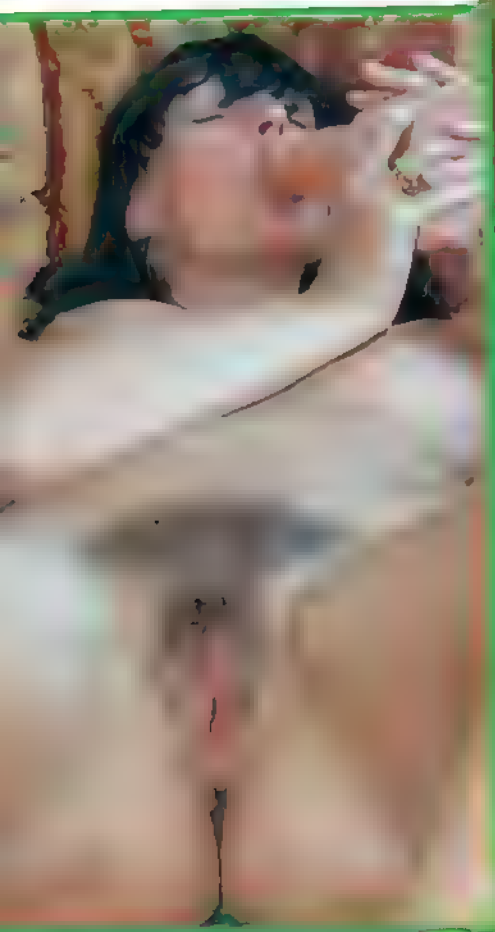

fucking great, but Jim knows I have one other position that makes me really scream in pleasure.

As he pulls his meat from my swollen cunt, and the rubber plug from my arse, he rolls me over and lays me on my back with my legs in the air.

In this position he slowly slides his still rock hard cock up my really sensitive arse while he slides the rubber cast of his cock up my pussy, again using his forward thrusting motions to fuck me in both holes.

It is an amazing feeling knowing that I have the same cock in both holes, and anytime I want to I can take one from my pussy and taste my juices as I cum again and again.

I love to lie there feeling Jim's hard cock deep in my arse or cunt while I imagine that I am sucking him off.

When I slide the thick veiny copy of his cock back into my pussy for the last time I will get him to take the real version out of my arse and spray his lovely hot cum all over my face and mouth so that I can enjoy the taste of him as well.

one of the girls' birthdays. As I was going out with a group of young women I thought I should dress like one too so I wore my short leather skirt, cropped biker jacket and spike-heeled knee-length boots.

Everyone commented on how sexy I looked when I got to the pub. I was dancing all night with one guy, Mike, who insisted on dancing behind me, holding my hips and grinding himself on my arse as we danced.

I ended up pretty trashed, wet and horny as hell.

He was waiting outside for a cab as I was leaving. We shared

one back to my house. My husband was going to find out just how sexy I would look getting fucked at both ends.

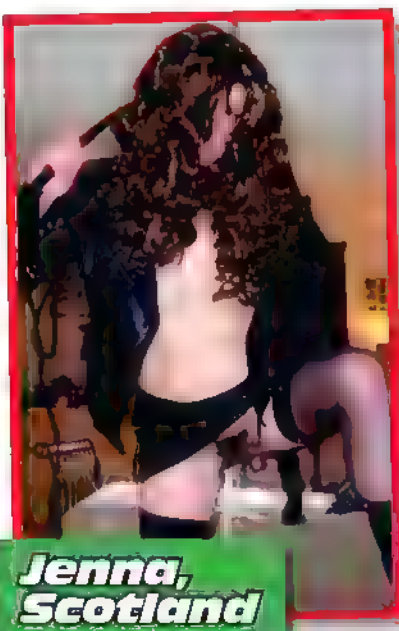

We tumbled back into the living room where my husband John was still up watching TV.

I told him to get Mike a drink because we were going to get down to some serious fucking. By the time John had got back to the room I had got Mike's cock out and was hungrily sucking him off.

His cock was a respectable size – far better than John's. I couldn't wait to feel it inside me so I went down on all

up and down John's shaft, flicking my tongue under his helmet as I got to the summit.

After about 60 seconds of sucking cock I felt his balls tighten and a hot gush of spunk hit the back of my throat. His hips jerked wildly and he shot out more jizz, this

# REAL WIFE SEX

*Helen's story continued from page 19*

began searching for her G-spot. I must have found it, because Helen moaned loudly and came on my hand, her pussy muscles gripping my fingers like a fucking vice.

Compelled by everything in me to taste every inch of her, I turned her around so that she was kneeling on the sofa and, pushing her skirt up her back, admired her pert young buttocks. Pulling her panties down around her knees. I spread her bum-cheeks and roughly pushed my tongue tip up her arsehole. I licked around her puckered little ring and then I delved back in again, trying to stab my tongue as far up her sweet-tast-

ing anus as it would go. She was writhing with pleasure as I reached forward to play with her tight little pussy, and, as I buried my fingers deep into her slit, I felt her cunt spasm as she came again.

As Helen leaned with her face pressed against the back of the sofa attempting to regain her breath, I hastily removed my trousers and shorts. My cock had by now grown to grand proportions. Stroking my rock hard prick, I turned my attention once again to the young lady's anal orifice, which was already nicely lubricated by my saliva.

I spread her buttocks wide apart and

lowered myself until my prick nudged against her gorgeous little rosebud. Then, lubricating my dick with her pussy juices, I slowly eased my cock into her incredibly tight little bum-hole and we both groaned as my weapon very gradually worked its way inside, all the way up to the base of my shaft. What a fucking view I had!

Remembering what a stuck-up little bitch she had been towards me earlier, I began to fuck her arse hard with something akin to a kind of strangely

## She rubbed my sack with glee

pleasurable resentment. Suddenly experiencing a rush of indescribable excitement at the knowledge that I was finally slamming my prick hard into her prim little arsehole, I felt my balls tense and shot my spunk deep inside her rectum. But if I'd thought that would calm her down, I was wrong! It just took her to a whole new level of dirtiness.

She insisted I leave my wilting cock in her arsehole and with her muscles working overtime, massaged my cock back to full erection.

It was an incredible sensation to feel my cock slowly redeflating in the tight hot confines of her arse. When I was hard she slid me out with a groan and, just like a porn star, sucked my dirty cock till it was as hard as it had ever been.

She wrapped her tits around the shaft and, with my glans pointing at her face, started to tit-wank me. I gazed down at her face and her intense expression of trying to please me. She stuck out her tongue so the tip of my cock hit it and soon there was a long thin strand of her saliva and my pre-cum being stretched back and forth.

Her hands reached under to cup my nuts and drive my cock and balls harder and faster into her soft titty flesh. With a grunt my balls ascended into my stomach and Helen rubbed my sack with glee as that hot sensation down the length of my shaft turned into sticky white gouts of cum jetting on to my date's grinning chops.

She didn't let up with the tit-wanking and milked me till I was shooting air. "That was the best tit-wank I've ever had," I told her.

She's now my girlfriend. Well, wouldn't you hang on to her? ☺

# SASHA + THEO

When it comes to food fights, you won't trifle with Theo and Sasha. It's not just sticky fingers getting everywhere, but wooden spoons, tongues and spatulas too. Delia certainly wouldn't approve! Unless our girls admitted to being Norwich fans, perhaps. The girls had their fun and left us to clean up their mess. And, er, ours. But still they want more.

"I'd love to cover a cock in custard and suck it clean, then steam it up my chuff and ride it hard while you rub cream into my tits!" sighs Sasha.

"Yeah, I'd have seconds and thirds!" grins Theo.

## Greece tightening

**O**n a recent holiday to Greece my wife Kelly and I had a very horny experience. In the airport lounge we got chatting to a friendly couple, Karen and Tom.

It turned out they were staying in a nearby resort to us, so we decided to meet up on the first night and explore the nightlife.

By the end of the night we'd agreed to have a photo shoot the following night.

The next morning we went to the shop and found an old copy of *Escort* with Kelly in it. We showed it to Karen and Tom, and they had a good look.

A little later Kelly and I

returned to the shop to find the two local lads who worked there looking at the same mag. They were very

open, saying they liked Kelly's tits and shaven cunt.

They asked outright if we were doing any more shoots, so we told them they could come along that night if they brought a local girl. "No problem!" they said, smiling.

We met in a bar that night and the seven of us got along great. We took a few sneaky photos in the bar to get going, then went back to our apartment.

We set up the video camera and Kelly took her dress off. She started posing in just high heels. With a bit of coaxing the other girls joined in.

There we were with three naked girls, four hard cocks, a camera and a video camera. The action kicked off with me fucking Kelly while being videoed and photographed.

Then I suggested we swap around. I fucked Karen and Sophia, the Greek girl, and then it was my turn to video. Kelly was about to have her fantasy fulfilled.

She lay on the bed while the three other blokes start-

ed on her. One licked her cunt while another sucked her bullet-hard nipples. Lucky Tom got to kneel over by her side and have his cock sucked.

Having three cocks and sets of hands exploring her soon had Kelly cumming. Then she ordered them to fuck her one by one.

One of the Greek lads held her legs high while the other one fucked her, Tom still fuck-

## Ibiza the action

**T**o celebrate our recent 10th anniversary my husband agreed to my suggestion of a second honeymoon in Ibiza.

There was one condition -

the only clothes I was allowed to pack had to be short or as tight as a second skin.

Just hours after landing I was sunning myself on the beach in the tiniest of thongs. My husband was talking football with a couple of Scottish lads next to us.

Typical, I thought, but I'll admit my thong was getting damp as they eyed up my well-oiled tits and arse. I was doing the same to the bulge in the younger looking one's cycling shorts.

My husband must have realised I was up for it because he invited the lads, Brian and James, both in their late teens, back to our apartment for a drink.

Once there I made my way to the balcony and spread myself on the sun lounger while the lads grabbed a beer and joined me.

After a while the conversation turned horny, and the hornier it got the

wider I spread my legs. My husband chose the perfect moment to pick up the suntan lotion and squirt some over my breasts and stomach.

He invited our new friends to massage it in. Soon their hands were all over my body, and an occasional finger slipped into my slippery shaven pussy.

I beckoned Brian to move up my body and I kissed his throb-

bing, lycra-clad cock. Then I yanked his shorts down, releasing his impressive dick into my face.

Putting my hand on his buttocks, I pushed every inch of him into my eager mouth. Meanwhile, James had

tugged my thong down and was busy tonguing and fingering my swollen pussy.

Brian's cock was slightly the larger, so I made him lie on the lounger. I slid down the length of his rock-hard shaft while James offered his tasty

ing her mouth. Then she took it doggy-style from Tom while sucking on the other two dicks.

Then I got in behind Kelly and put my cock against her arse bud. She leaned back into me, taking my cock up her arse in one go.

She got Tom to wank over her face, and just after he

came I her face I flooded her arse with my hot cum.

After a night of amazing sex, during which everyone fucked everyone, we all showered off the spunk and sweat before having a drink together and bidding fond farewells.

dick to my mouth.

They fucked and played with my body and just when I thought it couldn't get any hornier my hubby came up behind me, rubbing his hard-on against my inviting arse.

As usual I swallowed his entire length with ease. If my mouth had not been

full of cock I would have screamed the place down. Every orifice was full of cock and I was loving it.

James was the first to cum, filling my mouth full of creamy cum. Brian was really whacking his cock into my gagging pussy. His body tensed and he shot what felt like a gallon of spunk into me.

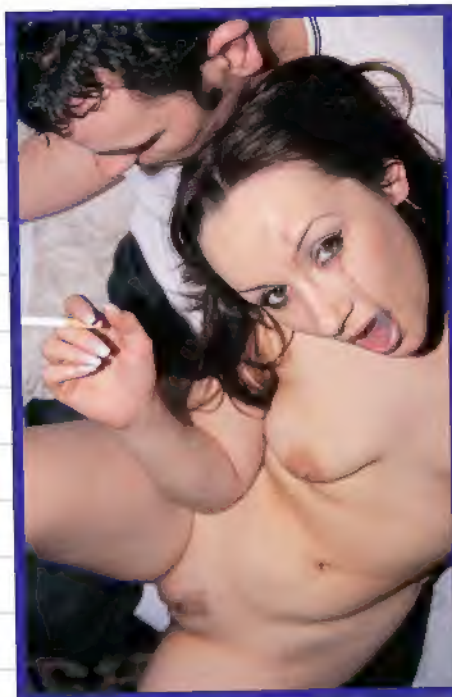

My husband pulled his dick out of my bum and shot his load over my arse and back.

I loved my first threesome but I was in heaven when, after a lot of leg pulling from James, a red-faced Brian admitted he'd been a virgin.

His dick was getting hard again so I led him by the hand to the bathroom for a nice warm shower, which we both enjoyed.

It was certainly an anniversary to remember. Looking for more long, hard sessions!

*Patty, London.*

## Cam on me

£60

I love showing my body off to other men as well as my boyfriend. I have posed for a camera club on numerous occasions, and really enjoyed it.

Showing off my cunt to strangers really turns me on.

Over the last few months I have had at least fifteen photographers come over and take photos of me. It has gone further with a couple of them.

One guy called David was a hunk and as soon as my boyfriend let him into the lounge I knew he was going to fuck me.

I first posed in my schoolgirl outfit for him and I loved showing him my body. I opened my legs that little bit wider and pulled my cunt open a little more than usual.

down between my legs and gave me a good tonguing, shoving his tongue right up my soaking cunt. I told him to

## He offered me his pole to suck

It was when I was in my nurse's uniform that things started to happen. It really turned David on, I could see by the bulge in his jeans.

I put my hand on his bulge, unzipped his jeans and out sprang his cock. I took him in my mouth and swirled my tongue around it.

I sucked him until he was about to cum, then he went

fuck me, which he did.

It felt fantastic. I was shouting and screaming, and that was when my boyfriend walked in. He just dropped his jeans and offered me his rock-hard pole to suck.

I was I ecstasy. They took it in turns to fuck me and I was sore for the next few days, but I thoroughly enjoyed it.
